No one should recover
alone

WHO WE ARE

At Nurse Me, we believe no one should recover from surgery alone. We specialize in post elective surgery care. What makes us different is that we are a nurse owned and nurse run business. Collectively we have 40+ years of bedside nursing experience.

OUR SERVICES

PERSONAL CARE

While you rest, we monitor your comfort, assist you with your medication, care for your nutrition and help you prevent post surgical infections

RECOVERY

Whether it is in the comfort of your own home, a hotel, or hospital, our nurses will give you one on one attention.

COMFORT

Need help to clean your wounds? Need specific medical massages? Have any other requests of us? Nurse Me's got you covered. Tell us what's on your mind and we can help you heal in comfort!
